2024 Diocesan Ministry Appeal Grant Guidelines

Appeal Grants Mission

The Diocesan Ministry Appeal (DMA) Grants for Parish Support is an act by the Bishop, in his duties as Shepherd of the Diocese, to promote and to safeguard the unity of faith and the discipline common to the whole Church, to instruct the faithful to love the whole Mystical Body of Christ and to promote activity of the Church, especially that the faith may increase and the light of full truth appear to all. The Appeal works with parishes to fund educational, pastoral, and charitable programs, in so far as it is able, by careful discernment of these apostolates and initiatives.

Purpose

Support and strengthen diocesan schools through support of:

- Salaries (i.e., new program school staff)
- Materials and other resources needed to support school programs

Provide supplemental funding for building and maintenance initiatives in diocesan schools that fall within the ordinary administration of a school through support of:

- Building Projects
- Infrastructure Maintenance

Ineligible for Funding

The following are ineligible for funding from the parish support grant:

- Debt payments
- Tuition Assistance

Application Requirements

Schools may apply for funding once per year.

- Provide a proposed budget for the upcoming fiscal year
- Provide any budgets or cost estimates for the purposes outlined in their grant application
- Provide a grant application that is complete in its entirety, including all signatures

Grant Sizes/Structures

Grants are structured based on the amount of funding the Annual Appeal receives in a given year. The Advisory Committee will determine which schools will receive a grant based on their application and how much will be granted based on the funding of the Appeal. Some grants may be awarded in whole, or in part, of the requested amount.

Appeal Advisory Committee

The Appeal Advisory Committee consists of priests and lay parish representatives from all Deaneries in the Diocese. Committee members are asked to serve a two-year term. The current Committee's term expires at the end of 2025. Members are eligible to serve an additional term.
